SEAL OF THE CITY
OF
BOSTON

THE CITY SEAL

As it appeared prior to 1827

The City Seal was adopted by "An Ordinance to Establish the City Seal," passed January 2, 1823, which provides "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the City, be the device of the City Seal; that the motto be as follows, to wit: 'Sicut patribus sit Deus nobis'; and that the inscription be as follows:—'Bostonia condita, A.D. 1630. Civitatis regimine donata, A.D. 1822.'" The motto is taken from 1 Kings, viii, 57: "God be with us as He was with our fathers."

The seal as it first appeared is shown above.

The seal as it was afterwards changed, and has ever since continued to be used, was first shown on page 221 of the volume of laws and ordinances, commonly known as the "First Revision," published in 1827, and is established as the City Seal at the present time by Revised Ordinances of 1914, Chapter 1, Section 5, which provides that "The seal of the City shall be circular in form; shall bear a view of the City; the motto 'SICUT PATRIBUS SIT DEUS NOBIS,' and the inscription, 'BOSTONIA CONDITA, A.D. 1630. CIVITATIS REGIMINE DONATA A.D. 1822,' as herewith shown."

The seal as changed in 1827 is shown on the opposite page.

ORIGIN AND GROWTH OF BOSTON.

THE Royal Patent incorporating the Governor and Company of Massachusetts Bay in New England passed the seals March * 4, 1628-29. At a General Court, or Meeting of the Company, on August * 29 of that year it was voted "that the Government and patent should be settled in New England." To that end Governor Winthrop led the Puritan Exodus in 1630. Soon after his arrival at Salem on June * 12, 1630, he proceeded with a large following to Charlestown, where a plantation had been established the summer before. The Assistants held three Courts at Charlestown in the interval, August * 23 to September * 28, inclusive. At their meeting on September * 7, they "ordered that Trimountaine shall be called Boston; Mattapan, Dorchester; and the towne upon Charles River, Waterton." Thus Shawmut of the Indians was named Boston, probably out of gratitude to the Merchants of Boston in Lincolnshire, who had subscribed generously to the stock of the Company.

In the latter part of August, Governor Winthrop with the patent chose Boston as his abiding place. The first "Court" held in Boston was a "General Court" on October * 19, "for establishing of the government." On October * 3, 1632, Boston was formally declared to be "the fittest place for publique meetings of any place in the Bay."

Boston was the first town in Massachusetts to become a city. It was incorporated February 23, 1822, by St. 1821, c. 110, adopted by the voters March 4, 1822. This act was revised by St. 1854, c. 448; amended by St. 1885, c. 266 and again by St. 1909, c. 486.

The neck of land called Boston, still called Boston Proper, contained perhaps 700 acres of land, judging from the 783 acres shown by the official survey of 1794. (In the interval 1630-37, Boston acquired jurisdiction over most of the territory now included in Chelsea, Winthrop, Revere, East Boston, Brookline, Quincy, Braintree, Randolph and Holbrook, besides certain islands in the harbor.) From 1637 till May 13, 1640,

when "Mount Woollaston" was set off as Braintree, Boston exercised jurisdiction over a territory of at least 40,000 acres. Within its present limits there are 30,598 acres, including flats and water.

Since 1640, grants of land have been made to Boston by the General Court as follows: (1) October * 16, 1660, 1,000 acres "for the use of a free schoole, layd out in the wilderness or North of the Merimake River" (in Haverhill), in 1664. (2) June * 27, 1735, in abatement of Province Tax, three townships, each six miles square, or 69,120 acres in all. These townships later became the Towns of Charlemont, Colrain, and Pittsfield. Boston sold its interest in them on June * 30, 1737, for £3,660. (3) June 26, 1794, a township of land in Maine (23,040 acres) "to build a public hospital." This tract was sold by the City April 6, 1833, for \$4,200.

Muddy River was set off as the Town of Brookline on November * 13, 1705, and Rumney Marsh was set off as the Town of Chelsea January * 8, 1739.

The principal annexations of territory included within the present limits of the City of Boston have been made as follows:

(1) Noddle's Island, by order of Court of Assistants, March * 9, 1636-37. (2) South Boston set off from Dorchester March 6, 1804, by St. 1803, c. 111. (3) Washington Village set off from Dorchester May 21, 1855, by St. 1855, c. 468. (4) Roxbury January 6, 1868, by St. 1867, c. 359, accepted September 9, 1867. Roxbury received its name by order of the Court of Assistants October * 8, 1630. It was incorporated as a city March 12, 1846, by St. 1846, c. 95, accepted March 25, 1846. (5) Dorchester January 3, 1870, by St. 1869, c. 349, accepted June 22, 1869. It received its name September * 7, 1630, by order of the Court of Assistants. (6) Brighton January 5, 1874, by St. 1873, c. 303, accepted October 7, 1873. Set off from Cambridge as the Town of Brighton February 24, 1807, by St. 1806, c. 65. (7) Charlestown January 5, 1874, by St. 1873, c. 286, accepted October 7, 1873. Settled July * 4, 1629. It was incorporated a City February 22, 1847, by St. 1847, c. 29, accepted March 10, 1847. (8) West Roxbury January 5, 1874, by St. 1873, c. 314, accepted October 7, 1873. It was set off from Roxbury and incorporated a Town May 24, 1851, by St. 1851, c. 250. (9) Hyde Park January 1, 1912, by St. 1911, c. 469, and 583, accepted November 7, 1911. Incorporated a Town April 22, 1868.

INTRODUCTION.

As a public document THE MUNICIPAL REGISTER is as old as the City of Boston itself, the first volume having been published in 1821, a year before the government of Boston changed from Town to City. Up to 1840 the title of the volume was: The Rules and Orders of the Common Council. From 1821 to 1829 the document contained merely a register of the City Council and a list of the officers.

In 1829 the City Charter was published as a part of the volume, and in 1830 the Acts relating to Boston, also the ordinances, were added. In 1832 the size of the volume was increased by the addition of an index to the contents. The volume published in 1822 contained fifteen pages and for the year 1840 there were eighty-eight pages, including three pages of index.

The title THE MUNICIPAL REGISTER was adopted in 1841 when the publication became more ambitious, incorporating in its pages the Rules and Orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the City Government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers.

From 1842 to 1864 it also contained a list of the members of preceding City Governments, a necrological record of those members, the latest ordinances and the special statutes relating to the City. In 1851 a list of the annual orators was added, and in 1853 a map of

the City and the Rules of the Board of Aldermen. In 1876, statistics of registration and voting were included, carried from 1879 to 1924 in tabulated form.

From 1889 to 1896, inclusive, THE MUNICIPAL REGISTER also contained a compilation of the Charter with the revision of 1854 and the amendments of 1885 and thereafter. The Amended Charter of 1909 (15 pages) was added in 1910, and the various changes since that year have been indicated by footnotes.

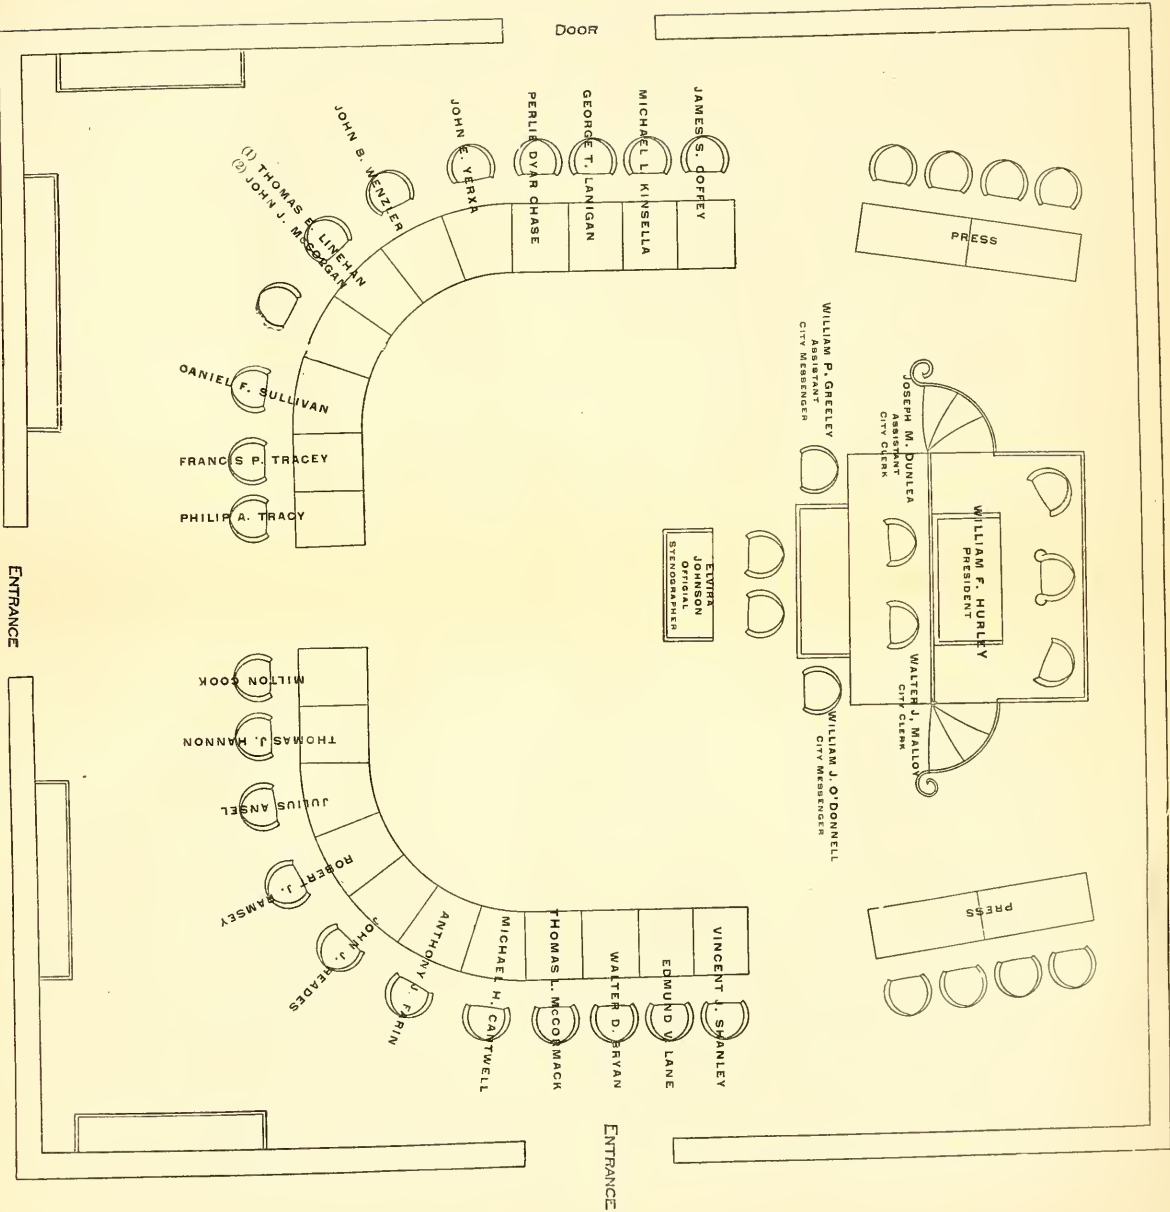

In 1924 the important amendments to the Charter enacted in that year (10 pages) were included.

The 1925 volume contained, as the latest addition, descriptions of the ward boundaries as fixed for the 22 new wards (formerly 26) in December, 1924.

Since 1925, the Register has been gradually reduced to its present size; primarily, because of the issuance of the Boston Year Book, a more ambitious publication, in 1925 and 1926, and secondly for the purpose of economy.

CITY CHARTER OF 1909 (ACTS OF 1909,
CHAPTER 486) WITH AMENDMENTS TO
SEPTEMBER 1, 1949, INCORPORATED.

THE MAYOR AND CITY COUNCIL.

SECTION 1.* (*The terms of office of the mayor and the members of both branches of the present city council of the city of Boston and of the street commissioner whose term would expire on the first Monday of January, nineteen hundred and ten, are hereby extended to ten o'clock a. m. on the first Monday of February, nineteen hundred and ten, and at that time the said city council and both branches thereof and the positions of city messenger, clerk of the common council, clerk of committees, assistant clerk of committees, and their subordinates shall be abolished. The officials whose terms of office are hereby extended shall, for the extended term, receive a compensation equal to one-twelfth of the annual salaries now paid to them respectively.*) The mayor and city council elected in accordance with the provisions of this act, and their successors, shall thereafter have all the powers and privileges conferred, and be subject to all the duties and obligations imposed by law upon the city council or the board of aldermen, acting as such or as county commissioners or in any capacity, except as herein otherwise provided. Wherever in this act the phrase "mayor and city council" appears, it shall be understood as meaning the mayor and city council acting on and after the first Monday of February, nineteen hundred and ten, under the provisions of this and the three following sections. The city council may, subject to the approval of the mayor, from time to time establish such offices, other than that of city clerk, as it may deem necessary for the conduct of its affairs and at such salaries as it may determine, and abolish such officers or alter such salaries; and without such approval may fill the offices thus established and remove the incumbents at pleasure.

SECTION 1. (*Chap. 479, Acts of 1924.*) The terms of office of the mayor of the city of Boston, of members of the city council and school committee of said city which would expire under existing law on the first Monday of February, nineteen hundred and twenty-six, and of members of the city council and school committee of said city which would expire under existing law on the first Monday of February, nineteen hundred and twenty-seven, shall terminate at ten o'clock in the forenoon on the first Monday of January, nineteen hundred and twenty-six. There shall be no municipal election in said city in the year nineteen hundred and twenty-four, and the terms of office of members of the city council and school committee of said city which would expire under existing law on the first Monday of February, nineteen hundred and twenty-five, are hereby

* The portion of this section in italics was superseded by Section 1 of Chap. 479, Acts of 1924, which is printed as the next section.

extended to ten o'clock in the forenoon on the first Monday of January, nineteen hundred and twenty-six. The salary of any official whose term of office is terminated as aforesaid shall cease at the time of such termination and the salary of any official whose term of office is extended as aforesaid shall continue at the same rate as theretofore so long as he continues to serve during the period of such extension.

SECT. 2.* The mayor from time to time may make to the city council in the form of an ordinance or loan order filed with the city clerk such recommendations other than for school purposes as he may deem to be for the welfare of the city. The city council shall consider each ordinance or loan order presented by the mayor and shall either adopt or reject the same within sixty days after the date when it is filed as aforesaid. If the said ordinance or loan order is not rejected within said sixty days it shall be in force as if adopted by the city council unless previously withdrawn by the mayor. Nothing herein shall prevent the mayor from again presenting an ordinance or loan order which has been rejected or withdrawn. The city council may originate an ordinance or loan order and may reduce or reject any item in any loan and, subject to the approval of the mayor, may amend an ordinance. All sales of land other than school lands, all appropriations for the purchase of land other than for school purposes, and all loans voted by the city council shall require a vote of two thirds of all the members of the city council; and shall be passed only after two separate readings and by two separate votes, the second of said readings and votes to be had not less than fourteen days after the first, except that in the case of loan orders for temporary loans in anticipation of taxes the second of said readings and votes may be had not less than twenty-four hours after the first. No amendment increasing the amount of land to be sold or the amount to be paid for the purchase of land, or the amount of loans, or altering the disposition of purchase money or of the proceeds of loans shall be made at the time of the second reading and vote. If a petition signed by six members of the council requesting that action be taken forthwith upon a loan order presented by the mayor is filed in the office of the city clerk not earlier than fourteen days after its presentation, action shall be taken by the yeas and nays on the question of the adoption of such loan order at the next meeting of the council, or, if one vote has already been taken thereon, at the next meeting after the expiration of the required interval after such vote; provided, that such action thereon has not sooner been taken or such loan order has not been withdrawn by the mayor.

SECT. 3.† All appropriations, other than for school purposes, to be met from taxes, revenue or any source other than loans, shall originate with the mayor, who, not later than the first Monday in February of each year, shall submit to the city council the annual budget of the current expenses of the city and county for the current fiscal year, and may submit thereafter such supplementary appropriation orders as he may deem necessary. The city council may reduce or reject any item, but, except upon the recommendation of the mayor, shall not increase any item in, nor the total of, a budget, nor add any item thereto, nor shall it originate a budget. Not later than the first Monday in April the city

* Sect. 2 as amended by Chap. 113, Acts of 1933, and Chap. 220, Acts of 1934. Also affected by Chap. 4, Spec. Session, 1942.

† Sect. 3 as amended by Chap. 479, Acts of 1924, and Chap. 604, Acts of 1941.

council shall take definite action on the annual budget by adopting, reducing or rejecting it, and in the event of their failure so to do the items and the appropriation orders in the budget as recommended by the mayor shall be in effect as if formally adopted by the city council and approved by the mayor. It shall be the duty of the city and county officials, when requested by the mayor, to submit forthwith in such detail as he may require estimates for the next fiscal year of the expenditures of the department or office under their charge, which estimates shall be transmitted to the city council.

SECT. 3A.* In the period after the expiration of any fiscal year, and before the regular appropriations have been made by the city council and the school committee, city and county officers who are authorized to make expenditures, and the school committee, may incur liabilities in carrying on the work of the several departments and offices entrusted to them, and payments therefor shall be made from the treasury from any available funds therein and charged against the next annual appropriation, or special appropriation, if any is made; provided, that the liabilities incurred during such interval for regular employees do not exceed in any one month the average monthly expenditure of the last three months of the preceding fiscal year, and that the total liabilities incurred during said interval do not exceed in any one month the sums spent for similar purposes during any one month of the preceding fiscal year; and provided, further, that said officers who are authorized to make expenditures may expend in any one month for any new officer or board lawfully created an amount not exceeding one twelfth of the estimated cost for the current fiscal year; and provided, further, that until a regular or special appropriation has been made for snow removal, expenditures may be made for that purpose to an amount not exceeding the average of the annual expenditures for snow removal in the five preceding fiscal years. Notwithstanding the foregoing limitations upon the authority of city officers to incur liabilities during said interval, such officers may incur liabilities to such extent as may be necessary for the purpose of compensating first assistant assessors for their regular duties.

SECT. 3B.* After an appropriation of money has been duly made by the city of Boston for any specific purpose, or for the needs and expenditures of any city department or county office, no transfer of any part of the money thus appropriated shall be made except in accordance with and after the written recommendation of the mayor to the city council, approved by a yea and nay vote of two thirds of all the members of the city council; provided, that the city auditor, with the approval in each instance of the mayor, may make transfers, other than for personal service, from any item to any other item within the appropriations for a department, division of a department or county office. After December twentieth in each year the city auditor may, with the approval of the mayor, apply any income and taxes not disposed of and make transfers from any appropriation to any other appropriation for the purpose only of closing the accounts of the fiscal year.

SECT. 4. Every appropriation, ordinance, order, resolution and vote of the city council, except votes relating to its own internal affairs, shall be presented to the mayor, who shall make or cause to be made a written

* Sect. 3A and 3B inserted by Chap. 604, Acts of 1941. Sect. 3B is affected by Chap. 4, Spec. Session, 1942. Sect. 3A as amended by Chap. 120, Acts of 1947.

record of the time and place of presentation, and it shall be in force if he approves the same within fifteen days after it shall have been presented to him, or if the same is not returned by him with his objections thereto in writing within said period of fifteen days. If within said period said appropriation, ordinance, order, resolution, or vote is returned by the mayor to the city council by filing the same with the city clerk with his objections thereto the same shall be void. If the same involves the expenditure of money, the mayor may approve some of the items in whole or in part and disapprove other of the items in whole or in part; and such items or parts of items as he approves shall be in force, and such items or parts of items as he disapproves shall be void.

SECT. 4A. * The mayor may designate one clerical assistant for whose acts he shall be responsible to sign his name in approval of all vouchers of less than five hundred dollars each.

SECT. 5. † Except as otherwise provided in this act the organization, powers and duties of the executive departments of the city shall remain as constituted at the time when this section takes effect; but the mayor and city council at any time may by ordinance reorganize, consolidate or abolish, in whole or in part, departments whether created on or before or subsequent to the first Monday of February in the year nineteen hundred and ten, including the transit department; transfer the duties, powers and appropriations of one department to another in whole or in part; and establish new departments; and may increase, reduce, establish or abolish salaries of heads of departments, or members of boards. Such an ordinance may provide that all of the employees of any department or division thereof thereby abolished who are subject to civil service shall be reappointed to similar positions with similar status in any new department or division thereof thereby established or in any other department or division thereof, without civil service examination or registration and that such employees shall, upon reappointment as may be provided in such ordinance, retain all rights to retirement with pension that shall have accrued or would thereafter accrue to them, and that their services shall be deemed to have been continuous, to the same extent as if such abolition had not taken place. Nothing in this act shall authorize the abolition or the taking away of any of the powers or duties as established by law of the school committee, the board of commissioners of school buildings, the department of school buildings, the election department or any department in charge of an official or officials appointed by the governor.

SECT. 6. No contract for lighting the public streets, parks, or alleys, or for the collection, removal, or disposal of refuse, extending over a period of more than one year from the date thereof, shall be valid without the approval of the mayor and the city council after a public hearing, held by the city council, of which at least seven days' notice shall have been given in the *City Record*.

SECT. 7. The city council at any time may request from the mayor specific information on any municipal matter within its jurisdiction, and may request his presence to answer written questions relating thereto at a meeting to be held not earlier than one week from the date of the receipt of

said questions, in which case the mayor shall personally, or through a head of a department or a member of a board, attend such meeting and publicly answer all such questions. The person so attending shall not be obliged to answer questions relating to any other matter. The mayor at any time may attend and address the city council in person or through the head of a department, or a member of a board, upon such subject as he may desire.

SECT. 8. Neither the city council, nor any member or committee, officer, or employee thereof shall, except as otherwise provided in this act, directly or indirectly on behalf of the city or of the county of Suffolk take part in the employment of labor, the making of contracts, the purchase of materials, supplies or real estate; nor in the construction, alteration, or repair of any public works, buildings, or other property; nor in the care, custody, and management of the same; nor in the conduct of the executive or administrative business of the city or county; nor in the appointment or removal of any municipal or county employee; nor in the expenditure of public money except such as may be necessary for the contingent and incidental expenses of the city council. The provisions of this section shall not affect the powers or duties of the city council as the successor of the present board of aldermen relative to state or military aid and soldiers' relief.

It shall be unlawful for the mayor or for a member of the city council or for any officer or employee of the city or of the county of Suffolk or for a member of the finance commission directly or indirectly to make a contract with the city or with the county of Suffolk, or to receive any commission, discount, bonus, gift, contribution or reward from or any share in the profits of any person or corporation making or performing such contract, unless such mayor, member of the city council, officer, or employee or member of the finance commission immediately upon learning of the existence of such contract or that such contract is proposed, shall notify in writing the mayor, city council, and finance commission of such contract and of the nature of his interest in such contract and shall abstain from doing any official act on behalf of the city in reference thereto. In case of such interest on the part of an officer whose duty it is to make such contract on behalf of the city the contract may be made by any other officer of the city duly authorized thereto by the mayor, or if the mayor has such interest by the city clerk: *provided, however*, that when a contractor with the city or county is a corporation or voluntary association, the ownership of less than five per cent of the stock or shares actually issued shall not be considered as being an interest in the contract within the meaning of this act, and such ownership shall not affect the validity of the contract, unless the owner of such stock or shares is also an officer or agent of the corporation or association, or solicits or takes part in the making of the contract.

A violation of any provision of this section shall render the contract in respect to which such violation occurs voidable at the option of the city or county. Any person violating the provisions of this section shall be punished by a fine of not more than one thousand dollars, or by imprisonment for not more than one year, or both. Chapter five hundred and twenty-two of the acts of the year nineteen hundred and eight is hereby repealed.

THE EXECUTIVE DEPARTMENT.

SECT. 9. All heads of departments and members of municipal boards, including the board of street commissioners, as their present terms of office expire (but excluding the school committee and those officials by

law appointed by the governor), shall be appointed by the mayor without confirmation by the city council. They shall be recognized experts in such work as may devolve upon the incumbents of said offices, or persons specially fitted by education, training or experience to perform the same, and (except the election commissioners, who shall remain subject to the provisions of existing laws) shall be appointed without regard to party affiliation or to residence at the time of appointment except as hereinafter provided.

SECT. 10 and SECT. 11, concerning approval by the civil service commission of appointments by the mayor, repealed by chapter 167, Acts of 1930.

SECT. 12. A vacancy in any office to which the provisions of section nine of this act apply, shall be filled by the mayor under the provisions of said section and pending a permanent appointment he shall designate some other head of a department or member of a board to discharge the duties of the office temporarily.

SECT. 13. Members of boards shall be appointed for the terms established by law or by ordinance. Heads of departments shall be appointed for terms of four years beginning with the first day of May of the year in which they are appointed and shall continue thereafter to hold office during the pleasure of the mayor.

SECT. 14. The mayor may remove any head of a department or member of a board (other than the election commissioners, who shall remain subject to the provisions of existing laws) by filing a written statement with the city clerk setting forth in detail the specific reasons for such removal, a copy of which shall be delivered or mailed to the person thus removed, who may make a reply in writing, which, if he desires, may be filed with the city clerk; but such reply shall not affect the action taken unless the mayor so determines. The provisions of this section shall not apply to the school committee or to any official by law appointed by the governor.

SECT. 15. The positions of assistants and secretary authorized by section twenty of chapter four hundred and forty-nine of the acts of the year eighteen hundred and ninety-five except those in the election department are hereby abolished, and except as aforesaid the said section is hereby repealed.

The civil service laws shall not apply to the appointment of the mayor's secretaries, nor of the stenographers, clerks, telephone operators and messengers connected with his office, and the mayor may remove such appointees without a hearing and without making a statement of the cause for their removal.

SECT. 16. No official of said city, except in case of extreme emergency involving the health or safety of the people or their property, shall expend intentionally in any fiscal year any sum in excess of the appropriations duly made in accordance with law, nor involve the city in any contract for the future payment of money in excess of such appropriation, except as provided in section six of this act. Any official who shall violate the provisions of this section shall be punished by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or both.

THE FINANCE COMMISSION.

SECT. 17. Within sixty days after the passage of this act the governor with the advice and consent of the council shall appoint a finance commission to consist of five persons, inhabitants of and qualified voters in the

city of Boston, who shall have been such for at least three years prior to the date of their appointment, one for the term of five years, one for four years, one for three years, one for two years, and one for one year, and thereafter as the terms of office expire in each year one member for a term of five years. Vacancies in the commission shall be filled for the unexpired term by the governor with the advice and consent of the council. The members of said commission may be removed by the governor with the advice and consent of the council for such cause as he shall deem sufficient. The chairman shall be designated by the governor. His annual salary shall be five thousand dollars, which shall be paid in monthly installments by the city of Boston. The other members shall serve without pay.

SECT. 18. It shall be the duty of the finance commission from time to time to investigate any and all matters relating to appropriations, loans, expenditures, accounts, and methods of administration affecting the city of Boston or the county of Suffolk, or any department thereof, that may appear to the commission to require investigation, and to report thereon from time to time to the mayor, the city council, the governor, or the general court. The commission shall make an annual report in January of each year to the general court.

SECT. 19. Whenever any pay roll, bill, or other claim against the city is presented to the mayor, city auditor, or the city treasurer, he shall, if the same seems to him to be of doubtful validity, excessive in amount, or otherwise contrary to the city's interest, refer it to the finance commission, which shall immediately investigate the facts and report thereon; and pending said report payment shall be withheld.

SECT. 20.* The said commission is authorized to employ such experts, counsel, and other assistants, and to incur such other expenses as it may deem necessary, and the same shall be paid by said city upon requisition by the commission, not exceeding in the aggregate in any year the sum of fifty-five thousand dollars, or such additional sums as may be appropriated for the purpose by the city council and approved by the mayor. A sum sufficient to cover the salary of the chairman of the commission and the further sum of at least fifty-five thousand dollars to meet the expenses as aforesaid each year shall be appropriated by said city. The commission shall have the same right to incur expenses in anticipation of its appropriation as if it were a regular department of said city.

SECT. 21. For the purpose of enabling the said commission to perform the duties and carry out the objects herein contemplated, and to enable the mayor, the city council, the governor or the general court to receive the reports and findings of said commission as a basis for such laws, ordinances, or administrative orders as may be deemed meet, the commission shall have all the powers and duties enumerated in chapter five hundred and sixty-two of the acts of the year nineteen hundred and eight and therein conferred upon the commission designated in said act; but counsel for any witness at any public hearing may ask him any pertinent question and may offer pertinent evidence through other witnesses subject to cross-examination by the commission and its counsel.

fied. In the year nineteen hundred and eleven, and every third year thereafter, a city clerk shall be elected by a majority of the members of the city council, to hold office until the first Monday in February in the third year following his election, and thereafter until his successor has been duly chosen and qualified unless sooner removed by due process of law. The city clerk shall act as clerk of the city council established by this act.

THE CITY AUDITOR.

SECT. 23. All accounts rendered to or kept in the departments of the city of Boston or county of Suffolk shall be subject to the inspection and revision of the city auditor, and shall be rendered and kept in such form as he shall prescribe. The auditor may require any person presenting for settlement an account or claim against the city or county to make oath before him in such form as he may prescribe as to the accuracy of such account or claim. The wilful making of a false oath shall be perjury and punishable as such. The auditor may disallow and refuse to pay, in whole or in part, any claim on the ground that it is fraudulent or unlawful and in that case he shall file a written statement of his reasons for the refusal.

SECT. 24. Whenever, in response to an advertisement by any officer or board of the city or county, a bid for a contract to do work or furnish materials is sent or delivered to said officer or board, a duplicate of the same shall be furnished by the bidder to the auditor, to be kept by him and not opened until after the original bids are opened. After the original bids are opened, the auditor shall open and examine the bids submitted to him, and shall compare the same with the original bids. In case any of the bids submitted to the auditor differ from the corresponding original bids, those submitted to the auditor shall be treated as the original bids. The contract shall not be awarded until after both sets of bids are opened.

SECT. 25. The auditor shall furnish monthly to each head of department a statement of the unexpended balance of the appropriation for that department, and he shall furnish to the mayor and city council a statement of the unexpended balances of all the departments. He shall furnish quarterly to the city council an itemized statement showing the amount of money expended by the mayor and the city council for contingent expenses.

MISCELLANEOUS PROVISIONS.

SECT. 26.* All loans issued by the city after the passage of this act shall be made payable in annual installments in the manner authorized by section thirteen of chapter twenty-seven of the Revised Laws as amended by section one of chapter three hundred and forty-one of the acts of the year nineteen hundred and eight. No sinking fund shall be established for said loan. All bonds shall be offered for sale in such a manner that the premiums, if any are received, shall be applied in accordance with the provisions of chapter three hundred and seventy-nine of the acts of the

No city or county money shall be deposited in any bank or trust company of which any member of the board of sinking fund commissioners of said city is an officer, director, or agent. Nothing herein shall apply to transit bonds of the city of Boston issued under the provisions of the several acts authorizing the construction of tunnels and subways in said city by the Boston Transit Commission, and said bonds may be issued as heretofore and secured by sinking fund.

SECT. 27.* Every officer and board in charge of a department of the city of Boston or county of Suffolk shall, on or before the sixth day of January, in the year nineteen hundred and thirty-nine and on or before the sixth day of January in each year thereafter, prepare and furnish to the city auditor a list of the officials and employees under said officer or board and paid by the city or county on the first day of such January; and every such officer and board shall, on or before the sixth day of June, in each of the years nineteen hundred and thirty-eight to nineteen hundred and forty-three, inclusive, prepare and furnish to the city auditor a list of such officials and employees paid by the city or county on the first day of such June. Such lists shall give the names, residence by street and ward, designation, compensation, and date of election or appointment of each of said officials and employees and the date when each first entered the employ of the city or county. It shall be the duty of the city auditor to verify said lists by the pay rolls and to keep a copy of said lists open for public inspection, and to prepare and publish in the *City Record*, in the year nineteen hundred and thirty-nine and annually thereafter, a comparative table containing the number of such officials and employees holding office or employed in each such department or board and paid by the city or county on the first day of January in each of the ten years next preceding such publication; and, in addition, in each of the years nineteen hundred and thirty-eight to nineteen hundred and forty-three, inclusive, he shall prepare and publish in the *City Record*, a comparative table showing the number of such officials and employees holding office or employed in each such department or board and paid by the city or county on the first day of June in each of the ten years next preceding such publication. Each such comparative table of the number of such officials and employees paid by the city or county on the first day of January, in any year, shall be so published not later than during the first week in the month of March next following; and each such comparative table of the number of such officials and employees paid by the city or county on the first day of June, in each of the years nineteen hundred and thirty-eight to nineteen hundred and forty-three, inclusive, shall be so published not later than during the first week in the month of August next following.

SECT. 29.* Within ninety days after the passage of this act and thereafter there shall be published at least once a week and distributed and sold under the direction of the mayor and on terms to be fixed by the city council and approved by the mayor a paper to be known as the *City Record*. All advertising with reference to the sale of property for nonpayment of taxes shall appear exclusively in the *City Record*. All other advertising, whether required by law or not, with reference to the purchase of taking of land, contracts for work, materials or supplies, and the sale or bonds, shall appear in said paper, and in such newspaper or newspapers as the mayor, in his discretion, may order; a list of all contracts of one thousand dollars or more, as awarded, with the names of bidders, and the amount of the bids; appointments by the mayor; and changes in the number and compensation of employees in each department, shall be published in the *City Record*. Failure to publish in such newspaper or newspapers as the mayor may order shall not invalidate any purchase, contract or sale made or action taken by the city. The proceedings of the city council and school committee together with all communications from the mayor, shall be published in the *City Record*; provided, that the substance of debates by and among the members of the city council shall not be so published or published elsewhere at the expense of the city.

SECT. 30.† Every officer or board in charge of a department in said city and every officer, board or official of the county of Suffolk having power to incur obligations on behalf of said county in cases where said obligations are to be paid for wholly from the treasury of said city, when authorized to erect a new building or to make structural changes in an existing building, shall make contracts therefor, not exceeding five, each contract to be subject to the approval of the mayor; and when about to do any work or to make any purchase, the estimated cost of which alone, or in conjunction with other similar work or purchase which might properly be included in the same contract, amounts to or exceeds one thousand dollars, shall, unless the mayor gives written authority to do otherwise, invite proposals therefor by advertisements in the *City Record*. No authority to dispense with advertising shall be given by the mayor unless the said officer, board or official furnishes him with a signed statement which shall be published in the *City Record* giving in detail the reasons for not inviting bids by advertisement.

SECT. 31. At the request of any department, and with the approval of the mayor, the board of street commissioners, in the name of the city, may take in fee for any municipal purpose, any land within the limits of the city, not already appropriated to public use. Whenever the price proposed to be paid for a lot of land for any municipal purpose is more than twenty-five per cent higher than its average assessed valuation during the previous three years, said land shall not be taken by purchase but shall be taken by right of eminent domain and paid for in the manner provided for the taking of and the payment of damages for land for highways in said city. No land shall be taken until an appropriation by loan or otherwise for the general purpose for which land is needed shall have been made by the mayor and city council by a two thirds vote of all its members; or in case of land for school purposes by the school committee and schoolhouse department in accordance with law; nor shall a price be paid in excess of the appropriation, unless a larger sum is awarded by a court of competent jurisdiction. All proceedings in the taking of land shall be under the advice of the law department, and a record thereof shall be kept by said department.

SECT. 32.* Beginning in the year nineteen hundred and twenty-five, the municipal election in said city shall take place biennially in every odd numbered year on the Tuesday after the first Monday in November.

SECT. 33.† The fiscal year in said city shall begin on January first and shall end on December thirty-first next following; and the municipal year shall begin on the first Monday in January and shall continue until the first Monday of the January next following. At the biennial municipal election in the year nineteen hundred and twenty-five, the five members of the school committee shall be elected. The two candidates receiving the largest number of votes at said election shall hold office for four years, and the three receiving the next largest number of votes at said election, for two years. At every biennial municipal election thereafter, all members of the school committee to be elected shall be chosen for terms of four years each. SECT. 46. Providing for recall of mayor repealed by Special Acts 1918, Chap. 94.

SECT. 47.‡ If a vacancy occurs in the office of mayor within two months prior to a regular municipal election other than an election for mayor, or within sixteen months after any regular municipal election, the city council shall forthwith order a special election of mayor to serve for the unexpired term, and if such vacancy occurs at any other time there shall be an election for mayor at the next regular municipal election for the term of four years; provided, that the foregoing provisions shall not apply if such vacancy occurs between the date of an election at which a new mayor is elected and the date he takes office. In the case of the decease, inability, absence, or resignation of the mayor, and whenever there is a vacancy in the office from any cause, the president of the city council, while said cause continues or until a mayor is elected, shall perform the duties of mayor. If he is also absent or unable from any cause to perform such duties they shall be performed, until the mayor or president of the city council returns or is able to attend to said duties by such member of the city council as that body may elect, and until such election by the city clerk. The person upon whom such duties shall devolve shall be called "acting mayor" and he shall possess the powers of mayor only in matters not admitting of delay, but shall have no power to make permanent appointments except on the decease of the mayor.

At the biennial state election in nineteen hundred and twenty-four, the registered voters of the city of Boston shall be entitled to vote upon the following plans of city council, which shall be printed upon the official ballot in the following form. Each voter shall make a cross in the space at the right of the plan which he desires to have adopted. No ballot shall be counted upon which the voter has made a cross in each such space.

BUDGET DEPARTMENT.

Office, 44 City Hall, third floor.

[Ord. 1917, Chap. 3; Ord. 1921, Chap. 4; Ord. 1927, Chap. 3; Stat. 1930, Chap. 400; Stat. 1931, Chap. 301; Stat. 1941, Chaps. 447, 604.]

JOHN A. SULLIVAN, *Budget Commissioner*. Term ends April 30, 1954.

The Budget Department was established by ordinance in 1917 as a result of the report and recommendations by the Budget Commission of 1915, and was placed in charge of a Budget Commissioner. General supervision over all matters relating, or incidental, to the appropriations and budgets of all municipal departments, with the exception of departments not directly under the control of the Mayor, was placed in the jurisdiction of the Budget Commissioner.

Under direction of the Mayor, the Budget Commissioner prepares in segregated form the annual and all supplementary budgets to be submitted by the Mayor to the City Council, and also prepares the forms of estimate sheets to be used by each officer, board, commission, and department, and each division of a department, for which the city appropriates money. He also reports to the Mayor on all subsequent revisions of the items in the budget.

In compliance with the provisions of Chapter 400 of the Acts of 1930, Compensation and Classification Plans for the Officers and Employees of Suffolk County were adopted by the City Council on April 13, 1931, and approved by the Mayor on April 15, 1931. By virtue of that statute and those plans, the Budget Commissioner is empowered to pass upon all promotions, transfers, new appointments, and the compensation of the personnel of Suffolk County included in these plans, thus establishing the Budget Commissioner, in effect, as the personnel director of Suffolk County. The records required to comply with the provisions of these plans are compiled by, and maintained in, the Budget Department. These records include, among others, an official roster of each officer and employee in the service of Suffolk County, their classification title, rate of pay, a record of each change of their status, and such other relevant

information as the Budget Commissioner deems advisable for the maintenance of a proper record of the personnel of Suffolk County.

In addition to the records of the County personnel, there is also compiled and maintained in the Budget Department a similar record of the personnel of the City of Boston.

BUILDING DEPARTMENT.

Office, 901-910 City Hall Annex, ninth floor.

HARRY J. KEEFE, *Building Commissioner*. Term ends in 1954.

THOMAS L. FLYNN, *Deputy Building Commissioner*.

FRANK J. COUGHLIN, *Clerk of Department*.

DENNIS J. KEOHANE, *Supervisor of Construction*.

JOHN L. RILEY, *Supervisor of Construction*.

JAMES P. COLLINS, *Chief, Zoning Division*.

DANIEL F. LAMPHIER, *Chief, Egress Division*.

EDWARD LAMPHIER, *Chief, Elevator Division*.

JOHN F. MURPHY, *Supervisor of Plumbing*.

FRANK J. RILEY, *Supervisor of Gas Fitting*.

HENRY J. CLAYTON, *Fire Protection Engineer*.

The duty of the Building Commissioner, under the provisions of Chapter 479 of the Acts of 1938, as amended (the Building Code), is to inspect all buildings and structures in the City of Boston except bridges, quays or wharves, buildings owned and occupied by the United States or the Commonwealth, railroad stations and structures used primarily for railway purposes, voting booths, tanks of certain specified capacities, tunnels constructed and maintained by the public authority, tents covering an area of less than one hundred square feet, fences less than six feet in height, signs or billboards upon the ground and signs less than one square foot in area, and flagpoles less than twenty feet in length.

The Code authorizes the Commissioner to issue permits to erect, enlarge, alter, substantially repair, move, demolish or change the occupancy of any building or structure; or to install, alter, or substantially repair plumbing, gas fitting, fire extinguishing apparatus and elevators; or to install steam boilers, furnaces, heaters or other heat producing apparatus the installation of which is regulated by the Code; or to install engines or dynamos.

The Zoning Act also is administered by the Building Commissioner. Under the provisions of this Act the city is divided into use districts, defined as Residential, Business, Industrial and Unrestricted. With minor exceptions, no building shall be erected or altered, nor shall any building or premises be used, for any purpose other than the use permitted in the district in which such building or premises is located. (Chapter 488, Acts of 1924, as amended — the Zoning Act.)

The Commissioner also licenses gas fitters, both master and journeyman; registers master and journeyman plumbers; establishes the qualifications of welders and licenses operators of elevators.

In addition, Chapter 143 of the General Laws, in so far as applicable to Boston, is administered by the Building Commissioner under delegated authority from the State Commissioner of Public Safety.

The primary purpose of the public safety regulations promulgated under this chapter is to establish a minimum code of safety for the entire state. Cities and towns may make further exactions in accordance with local building ordinances and not inconsistent with law, but in no case may the provisions of state law be avoided or minimized.

The law falls with particular force on all places of assembly — restaurants, taverns, dance halls, meeting halls and all places of similar occupancy in which fifty or more persons may be accommodated. Lodging houses and apartment houses in which there are eight or more rooms above the second floor, or in which ten or more persons are accommodated above the second floor come also within the provisions of this Act. All such buildings must be certified by the Building Commissioner as to compliance with these particular regulations in addition to the Boston Code requirements.

* The Trustees serve without compensation.

The Trustees of the Public Library of the City of Boston, five in number, are appointed by the Mayor, one each year, for a term of five years. They were incorporated in 1878, and authorized to receive and hold real and personal estate to an amount not exceeding \$1,000,000. This amount was changed to \$10,000,000 in 1919 and to \$20,000,000 in 1931. The first Trustees were appointed under an ordinance of October 14, 1852.

The old library building on Boylston street was opened to the public in September, 1858, and closed finally in January, 1895. The Central Library Building in Copley square, costing \$2,756,384, was first opened on March 11, 1895.

The Library is maintained by an annual appropriation made to the Trustees by the City Government.

The annual reports, the first of which appeared in 1852, have been continued without interruption.

THE LIBRARY SYSTEM.

The library system consists of the Central Library in Copley square, the Kirstein Business Branch in the Edward Kirstein Memorial Library Building at 20 City Hall avenue, the School Issue Department at 400 Shawmut avenue and twenty-nine Branch Libraries. In addition, through an agreement with Harvard University, the Baker Library of the Harvard Graduate School of Business Administration is a branch of the Boston Public Library. By similar arrangement, the Boston Medical Library at 8 Fenway serves as a medical branch.

The component parts of the library system are the following:

General Administrative Offices.

The Circulation Division.

The Reference Division.

The Division of Business Operations.

GENERAL ADMINISTRATIVE OFFICES.

The general administrative work of the Library is centered in the Director's Office. It is responsible for the general administration of the entire library system as a whole. It cares further for all activities that are not handled directly by the Circulation Division, the Reference Division, or the Division of Business Operations.

There is also supervised from the Director's Office the work of such subsidiary offices as the Personnel Office, the Information Office, the Records, Files, and Statistics Office, and the general publishing activities of the Library.

THE CIRCULATION DIVISION.

The greater part of the circulation of books to borrowers is centered in the Branch Libraries. The purely library activities of the Branch

Libraries are therefore considered as a unit which is designated as the Circulation Division. Within this division there are closed departments and public departments. The main grouping of the public departments is that of the Branch Libraries, and the Open Shelf Department in the Central Library. In direct relationship with the work of the Branch Libraries is the Work with Adults and the Work with Children and Young People.

The *closed departments* are:

1. Cataloging and Classification Department.
2. Book Selection Department.
3. Registration Department.
4. Branch Issue Department.
5. School Issue Department.

These departments are concerned with the selection of library materials and with the preparation of these materials for use by the public.

The *public departments* are the Open Shelf Department and the Young People's Room in the Central Library, and the 29 Branch Libraries distributed throughout the city as follows:

THE REFERENCE DIVISION.

The more important part of the reference work of the library system as a whole is carried on in the Central Library. The purely library activities of the Central Library are therefore considered as a unit which is designated as the Reference Division. Within this division there are closed departments and public departments.

The *closed departments* are:

1. Cataloging and Classification Department.
2. Book Selection Department.

These departments are concerned with the selection of library materials and with the preparation of those materials for use by the public.

The *public departments* are:

1. General Reference Department (the Main Reading Room).
2. Periodical and Newspaper Department.
3. Statistical Department (the Government Documents Department).

12. Philosophy — Psychology — Religion Department (proposed).
13. Maps Department (proposed).

In addition to the above public departments there is also a Print Department and a Rare Book Department. The general nature of all of these public departments is indicated by the names which they bear.

The general book stock is under the supervision of a department known as the Book Stack Service.

THE DIVISION OF BUSINESS OPERATIONS.

All of those aspects of the Library's activities that are not of a purely library nature, and are not provided for otherwise, are considered as a unit constituting the Division of Business Operations.

The departments constituting the division are:

1. Accounting Department.
2. Book Preparation Department.
3. Book Purchasing Department.
4. Printing Department.
5. Binding Department.
6. Shipping Department.
7. Buildings Department.

The general nature of the work of these departments is indicated by the names which they bear.

SPECIAL ACTIVITIES.

In addition to the regular activities of the various departments, the Library carries on programs of free lectures and concerts which are given in its lecture hall several times each week from October through April each year. Exhibits in the Treasure Room, and in the Chavannes, Sargent and Wiggin Galleries in the Central Library Building afford opportunities for emphasizing the Library's valuable resources. Storytelling in the Young People's Room and in many branch libraries by trained storytellers is a part of the Library's program of work with children. Two publications are distributed free throughout the system: *Books Current*, issued four times a year, and *B. P. L. News*, issued ten times a year. For *The Boston Public Library Quarterly*, issued in January, April, July, and October, there is a subscription fee of \$2.00 a year, 50 cents a single copy.

The Commissioner of Public Works must be a civil engineer of recognized standing in his profession. ADOLPH J. POST, *Division Engineer.*

TIMOTHY J. O'LEARY, *Chief Supervisor.*

The Division Engineer has charge of the collection and removal of ashes, garbage, and refuse, and the cleaning and flushing of streets.

Total expenditure for the year 1949 was \$5,419,665.82 for collection and disposal of the City's waste materials and the cleaning and flushing of the streets.

REMOVAL OF STORE REFUSE.

While the department is not required to remove refuse from shops, stores, and other business establishments, it is permitted by City Ordinance to make such removals upon payment by the producers of the charge prescribed by the Commissioner of Public Works. A charge of 20 cents a barrel or bundle (not larger than a flour barrel) has been established, and no removals are made by City forces.

In all districts refuse collections are made under yearly contracts, and the contractors are not permitted to charge for this service a higher rate than 20 cents a barrel, as prescribed by the Commissioner of Public Works. The producers pay the contractors direct for the service rendered.

SEWER DIVISION.

Office, 701 City Hall Annex.

ROBERT P. SHEA, *Division Engineer.*

The Division Engineer has charge of the maintenance and construction of all sewerage works.

Assessments upon estates benefited by new sewers are not levied by the Public Works Department, but by the Board of Street Commissioners who also award damages for land-takings made for sewer construction. The assessment upon the several estates for a new sewer is limited to \$4 per linear foot, and it is a lien upon the property. An Act of the Legislature prohibits the assessment in similar cases of the cost of surface drains.

In the calendar year 1949, there were built by contractors and day labor 7.29 miles of sanitary sewers and surface drains, and 115 catch-basins, making on January 1, 1950, a total of 1,279.36 miles of common and intercepting sewers and 23,155 catch-basins in charge of the Sewer Division.

The Boston Main Drainage System, comprising 24.12 miles of intercepting sewers, with a pumping station at Old Harbor Point, and storage reservoirs and outlet into the harbor at Moon Island, in operation since 1884, takes care of the sewage from City Proper, South Boston, and parts of Roxbury, West Roxbury, and Dorchester.

The common sewer system has two electrically-operated automatic pumping stations. The station at Union Park and Albany streets was built in 1915 to relieve floodings in the South End district of Boston, by pumping and discharging the surplus storm water flow into the South Bay.

The station at Summer street, opposite E street, was built in 1913, and takes care of the sewage from the Commonwealth Pier district, and the Army and Navy Bases.

Charlestown and East Boston sewage discharges into the main North Metropolitan System of the State, which discharges into the harbor waters just south of Deer Island.

Sewage from all of Brighton, a portion of the Back Bay and a small part of Roxbury, discharges into the South Metropolitan System, is lifted by pumping at the Ward Street Pumping Station, then flows through the main sewer, which also drains by gravity portions of West Roxbury and Dorchester and all of Hyde Park, finally outletting into Quincy Bay at Nut Island.

WATER DIVISION.

Office, 607 City Hall Annex.

DANIEL M. SULLIVAN, *Division Engineer.*

Under the control of the Division Engineer are the care and maintenance of all pipes and other fixtures and appliances for the purpose of the City's water supply, and all water assessments and other charges necessary for the maintenance of the Division.

The total length of supply and distributing water main on December 31, 1949, was 1,007.523 miles; number of fire hydrants, 12,353, including 505 high pressure, 387 private; number of meters now in service, 102,857.

The first water document published by the City of Boston appeared in 1825. In addition to the annual reports of the Cochituate supply, from 1850, and of the Mystic supply, from 1866, there are numerous special reports. By Chapter 449, Acts of 1895, the Boston Water Board, the Water Income Department, and the Water Registrar were abolished and the Water Department created, a single commissioner being entrusted with all the powers previously exercised by the Boston Water Board and the Boston Water Registrar.

A State commission, the Metropolitan Water Board, took possession in 1898 of all that part of the Boston water system lying westward of Chestnut Hill Reservoir, also the pumping station there, with adjacent lands. The sum paid to the City was \$12,531,000. Payments to the State by the City for its supply of water have been regularly made since 1898. Total available quantity of water in the six storage reservoirs of the Metropolitan system on January 1, 1950, 434,544,000,000 gallons, of which about 88.6 per cent was in the Quabbin Reservoir, about 65 miles west of Boston, an artificial lake, 25,216 acres in surface and area and added to the system in 1948. There are also thirteen distribution reservoirs with capacity of 2,718,036,000 gallons, six pumping stations being connected with these, in which stations 33,112,000,000 gallons of water were pumped during the year 1949. In the existing Metropolitan Water District are ten cities besides Boston, and eleven towns, and a portion of Winchester. Boston takes about 65.6 per cent of the entire water supply of the District.

The daily average amount of water used in Boston in 1949 was 113,771,500 gallons, or 148 gallons per capita.

HIGH PRESSURE FIRE SERVICE.

By the provisions of Chapter 312, Acts of 1911, the Commissioner of Public Works was authorized to install an efficient system of high pressure fire service for the business center of the City. The work completed, including the old salt-water fireboat line installed in 1898, comprises 18.71 miles of pipe with 505 hydrants. Total expenditure for installation of system to December 31, 1949, was \$2,599,379.45. Two pumping stations are now in use.

BOARD OF STREET COMMISSIONERS.

GERALD F. SCALLY, *Chairman*. Term ends in 1951.

A. JOSEPH FRENO. Term ends in 1952.

VICTOR C. BYNOE. Term ends in 1953.

LAWRENCE W. COSTELLO, *Secretary*.

JAMES W. HALEY, *Chief Engineer*.

The Board of Street Commissioners consists of three members, one of whom is elected by them to be Chairman. One member is appointed by the Mayor each year to serve for three years from the first Monday in January. The Board has jurisdiction over the laying-out, widening, relo-

cation and discontinuance of highways; the taking of real property for municipal purposes; the levying of assessments for betterments resulting from the construction of streets or sewers; the plotting of undeveloped areas for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in public streets; the making of specific repairs in public streets; the naming of public streets; the issuance of licenses for the keeping, storage, manufacture and sale of gasoline, oil, and other inflammable substances or explosive compounds; and the use of public ways for any permanent or temporary obstruction or projection in, under, or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes; signs, marquees, bay windows, coal-holes and vaults. Incidental to its powers to take lands and construct streets, it has authority to award compensation to land owners for damages resulting from such taking and construction. In certain instances its awards and its grants of licenses or permits must bear the approval of the Mayor.

In 1895 the duties of the Board of Survey were transferred to the Board of Street Commissioners. In 1907 the Board of Street Commissioners was charged with the licensing of street stands for the storage or sale of merchandise. In 1909, by Section 28 of the City Charter (Acts of 1909, Chapter 486 and amendments thereto) the jurisdiction previously exercised by the Board of Aldermen concerning the naming of streets, the issue of permits or licenses for coasting, the storage of gasoline, oil and other inflammable substances or explosive compounds and the use of public ways for any permanent or temporary obstruction or projection in, under, or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, was vested in the Board of Street Commissioners, to be exercised with the approval in writing by the Mayor, and the Mayor and City Council were given authority to fix by ordinance the terms by way of cash payment, rent, or otherwise, upon which permits or licenses for the storage of gasoline or oil or inflammable substances or explosive compounds and the construction or use of coal-holes, vaults, bay windows, signs and marquees, in, under, or over the public ways shall be issued. The fees for licenses or permits to sell or store inflammables or explosives are collected by the Board of Street Commissioners upon their original issuance of such licenses. Thereafter, an annual renewal fee for such licenses, which is one half of the original fee, is collected by the Fire Department. The fees for licenses or permits to maintain obstructions or projections in, under, or over the streets are collected by the Board of Street Commissioners.

In 1913 the Board of Street Commissioners was granted authority to issue permits for the erection of garages.

By virtue of Section 1 of Chapter 33 of the Revised Ordinances of 1925, the Board of Street Commissioners is charged with the care and maintenance of all land and buildings belonging to the city and not used for specific purposes.

In 1927, by authority of, and in conformity with, Section 8 of Chapter 85 of the General Laws (1921), the Board of Street Commissioners adopted "Rules and Regulations Relating to Projections in, on or over Public Highways," amending and revising all its pre-existing rules and regulations concerning such projections. The penalty for violation of these Regulations is a fine not exceeding five dollars for each day that the violation continues, after five days' notice given by the Board of Street Commissioners to the violator.

In 1930 (by Chapter 399 of the Acts of 1930) the jurisdiction of the Board of Street Commissioners as to the storage and sale of gasoline, oil and other inflammables or explosives was amplified and its jurisdiction extended to include the licensing and regulation of open-air parking spaces.

In 1908 the Board of Street Commissioners was charged with the regulation of pedestrian and vehicular traffic. In 1929 (by Chapter 263 of the Acts of 1929) jurisdiction over the regulation of traffic was transferred from the Board of Street Commissioners to the Boston Traffic Commission.

In 1929, also, the Board of Street Commissioners was granted authority (by Chapter 187 of the Acts of 1929) to license the holding of religious meetings, political meetings or rallies in public ways. That Act was, however, repealed by Chapter 173 of the Acts of 1931.

Under Chapter 148, Section 56, of the General Laws (Tercentenary Edition), the Board of Street Commissioners grants licenses for open-air parking spaces.

In 1950 (by Chapter 78, Acts of 1950) power of the Board of Street Commissioners to grant permits for parades, processions, and organized formations was transferred to Boston Traffic Commission.

In 1950 (by Chapter 318, Acts of 1950) the care, custody, management, and control of all property of the City not held for a specific purpose was transferred to Real Estate Commission. (Chapter 33, Revised Ordinances of 1947, repealed.)

INDUSTRIAL SCHOOLS PARTLY MAINTAINED BY STATE.

By Chapter 471, Acts of 1911, and Chapter 106, Acts of 1912, the State especially encourages the establishing of Independent Industrial Schools, allowing financial aid for their maintenance proportionate to the amount raised by local taxation and expended for all public schools. Under this arrangement the School Committee is reimbursed by the State to the extent of one half the net maintenance cost of such industrial schools established in Boston thus far with the approval of the Massachusetts Department of Education. By Chapter 805, Acts of 1913, Continuation Schools, for employed children between fourteen and sixteen years of age, were included under the same plan of State aid. The schools thus maintained are the Boston Trade High School (for Boys), day and evening classes, Trade High School for Girls, Compulsory Continuation School, Brandeis Vocational High School (day and evening classes), High School of Practical Arts, also co-operative courses in Brighton, Charlestown,

The School Committee may annually appropriate for this purpose such amount as it deems necessary. The appropriation for 1950 is \$143,937.22. The School Committee, by a majority vote of all its members, may retire with a pension any member of the teaching or supervising staff of the public day schools who has reached the age of sixty years, also such other members as are incapacitated for further efficient service.

These pensions are paid to teachers who were retired before the establishment of the Boston Retirement System, or who have not become members of the Boston Retirement System or State-Boston Retirement System.

The School Committee is authorized to provide for these pensions by appropriating annually such amount as it deems necessary, which, together with the unexpended balance of the previous year, the amount of reimbursement from the Commonwealth, and the appropriation of accrued interest in the Permanent School Pension Fund, will pay pensions for the year.

POLICE DEPARTMENT.

Headquarters, 154 Berkeley Street.

JAMES J. HINCHEY, *Deputy Superintendent.*

JAMES T. SHEEHAN, *Deputy Superintendent.*

The City is divided into seventeen Police Divisions, in each of which is a station house, the quarters of a captain and a force of men.

The Bureau of Criminal Investigation, a central detective agency of the Department, located in Headquarters building, and consisting of several subdivisions, is operated on a large scale and in an efficient manner. Members of this Bureau investigate felonies committed within the jurisdiction of the City of Boston. In addition to its divisions for investigation of reports of automobiles stolen, lost and stolen property, and homicides, squads are assigned to cover the following phases of police work and investigation: Banking, express thieves, general investigation,

hotels, narcotics, pawnbrokers, including junk-shop keepers and dealers in second-hand articles, pickpockets, radical and shopping crimes. A night motor patrol squad performs duty throughout the city, to prevent, so far as possible, the commission of crime and, if acts of violence or other serious crimes have been committed, to arrest and prosecute the offenders. Criminal identification, fingerprints and photographs, missing persons, warrants and summonses are handled by this Bureau. The Bureau also handles cases of fugitives from justice and conducts hundreds of investigations during the course of a year for various police departments throughout the United States and foreign countries. Further, it cooperates in every way possible with outside police departments in the investigation of crime and prosecution of criminals. Supervision of the daily line-up of all prisoners arrested for serious offenses is conducted by this Bureau.

The criminal identification division of this Department has continued to prove of great value and stands in favorable comparison with identification units of the most advanced departments.

Advancements and changes are constantly being made to maintain efficiency of various divisions of the Bureau of Criminal Investigation. To bring about this efficiency of service, equipment of the Bureau is continually being augmented by addition of modern identification apparatus.

Files of the Bureau of Criminal Investigation contain records of assignments made in the Bureau and all records of arrests made throughout the Department.

On file, also, are reports of all felonies committed within the city and all reports of investigation of these felonies.

The Bureau of Operations supervises the development and maintenance of the system of operations of the Department, including two police broadcasting stations, "KCA860," located at Police Headquarters and on the roof of the new Courthouse Building, Pemberton Square; the latter station being operated by remote control from the Bureau of Operations at Police Headquarters.

These broadcasting stations insure speedy response to a call for police assistance and render possible speedy dissemination of information and quick concentration of necessary police power at a point where needed.

The Boston Police Department is completely equipped with modern two-way radio. There are 111 police cars, 4 police boats, and 27 combination patrol wagons and ambulances, fully equipped with two-way radio telephone. Police automobiles with two-way radio are moving through all parts of the city day and night. Any part of the city may be reached by a police radio car in a very few moments after receipt of a radio message from either of the broadcasting stations.

The radio has been a very important factor in the prompt apprehension of law violators as well as increasing the number of arrests. In many instances, the offenders have been taken into custody while in the act of committing crime.

The Traffic Division is located in the Police Building, 229 Milk street. Its commanding officer is responsible for proper regulation of traffic condi-

tions and for safety of the public using the highways from 8 A.M. to 12 o'clock midnight, within the intown and Back Bay sections of the city.

The Property Clerk's Office is charged with the care of all police buildings, lost, stolen and abandoned property, money or other property alleged to have been illegally obtained, and all articles and property taken from persons arrested for any cause. In its custody are also placed all seized liquor and gaming implements which come into possession of the Department.

All orders for supplies, building maintenance, repair work, plumbing, steamfitting, etc., uniforms and equipment are issued by this office.

The Commissioner appoints a Harbor Master and assistants from the police force. The following motor launches are used in this service: the "Michael H. Crowley," a 60-foot craft, the "William H. Pierce" and the "William H. McShane," both 38-foot crafts; the "Argus," a 28-foot craft; and a Chris-Craft 16-foot speedboat named the "Warren C. Perkins."

The Police Department is responsible for the annual listing of all residents within the city 20 years of age or over.

On August 1, 1950, the police force numbered 2,501, consisting of 1 superintendent, 3 deputy superintendents, 34 captains, 70 lieutenants, 187 sergeants, 2,193 patrolmen, 13 policewomen.

There are 20 men assigned to the signal service, whose director has charge of 566 signal boxes.

The Licensing Board for the City of Boston was established by Statutes of 1906, Chapter 291. It consists of three members appointed by the Governor, with the advice and consent of the Council. They must be citizens of Boston who have resided in Boston for at least two years preceding the date of their appointment. The two principal political parties must be represented on the Board and the term of the members is fixed at six years after the first appointment, which was for six, four, and two years. The Board was created to exercise all the powers and perform all the duties conferred upon the Board of Police of the City of Boston relative to intoxicating liquors (now called alcoholic beverages), innholders, common victuallers, billiard and pool tables, sippio tables, bowling alleys, intelligence offices, picnic groves, and skating rinks. By Chapter 169 of the Acts of 1936 skating rinks are now licensed by the Licensing Division of the Mayor's office.

The fee fixed by Section 202 of Chapter 140 of the General Laws is not less than \$2 for each class of license, with the exception of licenses for common victuallers and innholders. The fees for common victualler

and innholder licenses were fixed by Section 2, Chapter 140, of the General Laws, at not more than \$5 for each license. By statutory authority the City Council has fixed the fee of \$10 for common victuallers and \$25 for innholders without alcoholic beverages; with alcoholic beverages, innholder's fee is \$5.

By Statutes of 1909, Chap. 423, the Board was given the right to issue licenses to "Sunday dealers in ice cream, or confectionery, or soda water or fruit," the fee for such licenses not to exceed \$6.

The City Council has fixed the fee of \$10 for common victuallers, \$6 for Sunday dealers in ice cream, or confectionery, or soda water or fruit, and a fee of \$3 for retail vendors of soft drinks.

By Statutes of 1918, Chap. 259, the Board was granted the right to issue licenses to lodging houses. No fee was to be charged. By Statutes of 1921, Chap. 59, a fee of not more than \$2 was allowed, if established by the City Council. The Council established the fee at \$2 in 1922.

By Statutes of 1922, Chap. 392, the Board was given the right to license "retail vendors of soft drinks." The fee for such license was not to exceed \$1. By statutory authority the City Council has fixed the fee of \$3 for such license.

By Statutes of 1922, Chap. 485, the "firearm" law was amended, giving the licensing of vendors of firearms to this Board. The law relates to the renting, selling or leasing of firearms, and the word firearms includes a pistol, revolver or other weapon from which a shot or bullet can be discharged, and of which the length of barrel not including any revolving, detachable or magazine breech does not exceed twelve inches, and a machine gun irrespective of the length of the barrel. It does not include antique firearms incapable of use, nor sales of firearms at wholesale. The fee for such license to be fixed by the Board not to exceed \$5.

By Statutes of 1926, Chap. 299, the Board was given the right to grant entertainment licenses in places where such entertainment was carried on in conjunction with sale for cash of food or drink six days of week but not on Sundays. No fee was to be charged to common victuallers and innholders carrying on such entertainment, but a fee of \$5 could be charged to persons selling drinks who carried on an entertainment. Entertainments consist of dancing, music, cabaret, or amusements.

By Chapter 284 of the Acts of 1933, the Board was given authority to grant victuallers' licenses to clubs, societies, associations or other organizations which dispense food and beverages on their premises, to their stockholders or members and their guests and to none others.

By Chapter 376 of the Acts of 1933, now Chapter 138 of the General Laws, the Board was given the authority to issue alcoholic beverage licenses to common victuallers, innholders, taverns, clubs and retail package stores, and to suspend or revoke the same after a hearing.

NOTE: Chapter 120 of the Acts of 1933, which gave the Board authority to issue non-alcoholic beverage licenses containing not more than 3.2 per cent of alcohol, was repealed when the new alcoholic law (Chap. 376) was enacted. Any 3.2 licensee could carry on his business until May 1, 1934;

or could surrender his license and get a refund, or a credit on the fee paid for an alcoholic beverage license.

By Chapter 183 of the Acts of 1946, the Board was given the authority to charge a fee, not exceeding one dollar, for the issuance of a duplicate or any license granted and issued by said Board.

By Statute of 1949, Chapter 361, the Board was given the right to license mechanical amusement devices and regulate the operation thereof

FRANKLIN TECHNICAL INSTITUTE, Corner Appleton and Berkeley Streets.
BRACKETT K. THOROGOOD, *Director*.

The Franklin Foundation is incorporated under Chapter 569 of the Acts of 1908, a board of twelve citizens being named therein who control the Franklin Fund and having the standing of a City department with the object of maintaining the Franklin Technical Institute as an independent technical institute for adults.

The Franklin Fund is the proceeds of a bequest of one thousand pounds to "the Inhabitants of the Town of Boston in Massachusetts" made by Benjamin Franklin, in a codicil to his will dated June 23, 1789. The codicil provided that the fund "if accepted by the inhabitants of the Town of Boston" be managed "under the direction of the Selectmen, united with the Minister of the oldest Episcopalian, Congregational, and Presbyterian Churches in that Town," who were to make loans on certain conditions to "young married artificers under the age of twenty-five years."

Dr. Franklin, who died April 17, 1790, calculated that, in one hundred years, the thousand pounds would grow to £131,000, "of which," he says, "I would have the managers then lay out at their discretion £100,000 in Public Works which may be judged of most general utility to the Inhabitants. The remaining £31,000, I would have continued to be let out on interest for another hundred years. At the end of this second term, if no unfortunate accident has prevented the operation, the sum will be £4,061,000, of which I leave £1,061,000 to the Town of Boston, and £3,000,000 to the disposition of the Government of the State, not presuming to carry my views farther." The Town accepted the donation at a Town Meeting held June 1, 1790.

A futile suit brought by the Franklin heirs in 1891 prevented the division of the fund at the expiration of one hundred years; but on January 17, 1894, by direction of the three ministers and the Board of Aldermen of the City, which board claimed to be the successors of the "Selectmen," \$329,300.48 ($\frac{1900}{1831}$ of the fund) was paid to the City Treasurer, for "the purchase of land and the erection thereon of the Franklin Technical Institute and for the equipment of the same." Owing to a series of complications the money remained in the custody of the Treasurer. Mayor Collins, in 1902, caused a petition of the City to be filed in the Supreme Court, praying for instructions as to the authority of the persons then acting as Managers of the fund. The Court rendered an opinion November 25, 1903 (184 Mass. 373, page 43), to the effect that the three ministers were Managers of the fund under Franklin's will, but that the Aldermen did not succeed the "Selectmen" as Managers and had no powers with reference to it. The Court, under its general power to care for public charitable funds, appointed, on March 16, 1904, a Board of Managers to take the place of the "Selectmen," and provided in the decree of the Court, that the Mayor of Boston should be one, *ex officio*.

On December 2, 1905, the City Treasurer received from Mr. Andrew Carnegie \$408,396.48, said sum being equal to the amount of the Franklin Fund in August, 1904, which Mr. Carnegie agreed to duplicate. Only the annual income from this fund is used.

On November 17, 1927, \$100,000 was received by the Foundation from the estate of the late James J. Storrow, the income to be used for maintenance of Franklin Technical Institute.

On January 31, 1907, the amount of the "accumulated" fund available for expenditure by the Managers was \$438,741.89, and in that year the Franklin Technical Institute Building was erected at the corner of Appleton and Berkeley Streets. In 1908 the Franklin Fund Managers became the Franklin Foundation by special act of the legislature. It was opened in September, 1908, as a Technical Institute to train young men and women for positions of supervision in industry. In 1941 the name was legally changed to Franklin Technical Institute. It is maintained partly by tuition fees (\$419,008.46 for the school year 1949-1950), and income from the above mentioned Funds (*i. e.*, the Andrew Carnegie Donation and the Storrow bequest). The building contains 11 classrooms, 5

draughting rooms, and 16 shops and laboratories. 1,117 adult students received instruction at evening sessions and 503 in day courses during the school year 1949-1950. There is also an auditorium with a seating capacity of 927. The building, with equipment, cost \$436,970.59. The site, containing about 16,000 square feet, was purchased in 1906 for \$100,000, a 20-year loan being issued to cover same.

The Franklin Fund (Second Part) will become available in 1991.

GEORGE ROBERT WHITE FUND.

Office, 45 City Hall.

TRUSTEES, 1948.

JOHN B. HYNES, Mayor, *Chairman*.

WILLIAM F. HURLEY, President, Boston City Council.

CHARLES J. FOX, Auditor, *Secretary*.

HARRY J. BLAKE, President, Boston Chamber of Commerce.

CHARLES C. CABOT, President, Bar Association of the City of Boston.

JAMES J. MCCARTHY, *Manager*.

GEORGE L. DRISCOLL, *Assistant Manager*.

The late George Robert White, who died in Boston, January 27, 1922, left the residue of his estate to the City of Boston to be held as a permanent charitable trust fund, "the net income only to be used for creating works of public utility and beauty, for the use and enjoyment of the inhabitants of the City of Boston."

The control and management of the fund is in the hands of a board of five trustees, consisting of the Mayor as Chairman, the President of the City Council, the City Auditor, the President of the Boston Chamber of Commerce and the President of the Bar Association of the City of Boston.

At a meeting of the Trustees held on Tuesday, April 5, 1938, it was unanimously voted that the services of a paid Manager be engaged. In accordance with this vote the custody, care, control and management of all real estate constituting a part of the George Robert White Fund is now in the hands of a Manager; all legal matters are attended to by the Corporation Counsel; all financial disbursements and investments are in the hands of the City Treasurer; all collections and receipts are handled by the City Collector; and the examination of all bills and demands rendered against the Fund, together with the approval of all expenditures and the auditing of all accounts, rests with the City Auditor.

Health Units have been provided at Baldwin Place and North Margin Street in the North End, at Paris and Emmons Streets, East Boston, at Dorchester and West Fourth Streets, South Boston, at Blue Hill Avenue and Savin Street, Roxbury, at High and Elm Streets, Charlestown, at Blossom and Parkman Streets, West End, at Whittier and Hampshire Streets, Roxbury, at Central Avenue, Hyde Park, at the Schoolboy Stadium, Franklin Park, at the War Memorial, Back Bay Fens, at the Swimming Pool, Charlestown, and at Blue Hill Avenue and Harvard

Street, Dorchester, in the hope of being able, by proper instruction to better the living and health conditions of the communities in the congested districts.

A Prado has been established at Hanover and Unity streets in the North End, to provide an open air space for the residents of the North End. In 1935, the Trustees voted to change the name of the Prado to Paul Revere Mall.

In the spring of 1936 the Trustees voted to establish a wading pool and locker building in the yard in the rear of the Whittier Street Health Unit, Roxbury. The wading pool and locker building have since been in full operation for the use and enjoyment of the inhabitants of the City.

In the summer of 1936 the Trustees voted to have thirteen memorial bronze tablets fabricated and placed in the walls of the Paul Revere Mall in the North End. The inscriptions to be placed on these tablets involved considerable research work and as a consequence these tablets were not completed until the summer of 1940. This was done as an improvement to the Mall.

On January 27, 1940, the Trustees voted to purchase an equestrian statue of Paul Revere — made by Cyrus E. Dallin, sculptor — to be placed in the Paul Revere Mall in the North End, as an addition and further improvement in accordance with provision of the will.

On September 22, 1940, the Trustees dedicated the thirteen bronze tablets and the statue of Paul Revere at the Paul Revere Mall in the North End.

In the summer of 1941 the Trustees voted to establish a number of play spaces, fully equipped, in various sections of the City from the Income of the Fund, for the use and enjoyment of children under 12 years of age. It was voted to establish the first four play spaces at the following locations:

Pitts and Hale Streets, in the West End.

London and Decatur Streets, in East Boston.

Troy and Rochester Streets, in the South End.

King and Roxbury Streets, in Roxbury.

This chain of play spaces consists of the most modern architecture: Wading pools, play-yard equipment, concrete seats, concrete sandboxes, etc., and is a great asset to the City.

Starting in the spring of 1946 and ending in the fall of 1949 the Trustees of the Fund voted to establish the following projects from the Income of the Fund:

Health Unit at Central avenue and Elm street, Hyde Park.

Health Unit at Blue Hill avenue and Harvard street, Dorchester.

Swimming Pool, Diving Pool and Locker Building, Doherty Heights, Charlestown.

Playground, Bunker Hill street, Charlestown.

Schoolboy Stadium in Franklin Park.

War Memorial Center in the Fens.

Swimming Pool, Diving Pool and Locker Building, Commercial street, North End Park.

BOSTON HOUSING AUTHORITY.

Office, 230 Congress Street.

[Stat. 1935, Chap. 449; Stat. 1938, Chap. 484; Stat. 1946, Chap. 574;
Stat. 1948, Chap. 200.]

APPOINTED BY MAYOR AND CITY COUNCIL.

JOHN J. COLEMAN, <i>Vice Chairman.</i>	Term ends in 1951.
JOHN CARROLL, <i>Assistant Treasurer.</i>	Term ends in 1952.
JOSEPH J. BENKERT, <i>Treasurer.</i>	Term ends in 1953.
JAMES J. MAHAR.	Term ends in 1955.

APPOINTED BY THE MASSACHUSETTS STATE BOARD OF HOUSING.

CORNELIUS T. KILEY, <i>Chairman.</i>	Term ends in 1954.
FRANCIS X. LANE, <i>Administrator.</i>	

The Boston Housing Authority, established in accordance with the Housing Authority Law of the Commonwealth, consists of five members, who may be compensated at the rate of \$25 per day for the Chairman, and \$20 per day for a member other than the Chairman. As the terms of the members expire, successors are appointed by the same appointive power for terms of five years.

The Authority is charged with investigation to determine the unsanitary and sub-standard housing conditions existing within its jurisdiction which cannot readily be remedied by private enterprise, and the clearance, replanning and reconstruction of such areas in accordance with the terms of Chapter 574 of the Acts of 1946. With the approval of the State Housing Board and the Mayor, it is empowered to enter into agreement with any agency of Government for assistance, financial or otherwise, to remedy such sub-standard conditions.

Eight Federally Aided Developments consisting of 5,975 units in the City are now operated by the Authority. All of them with the exception of the Development in the Bay View section of South Boston, are operated for the housing of low-income families, preference being given to veterans and servicemen. The Development in the Bay View section which was constructed by the Authority was subsequently sold to the Federal Government to house war workers. It is operated by the Authority, under lease from the Federal Government, and tenancy is now restricted to veterans and servicemen with families. Old Harbor Village, South Boston, the only Development built by the Federal Government, is now leased to the Authority to house low-income tenants. A Development of 508 units in the East Brookline Street section of the South End is presently under construction. Approval has been given under the Housing Act of 1949 to construct 4,000 dwellings in 1950 and 1951.

Acting under the provisions of Chapters 372 and 568 of the Acts of 1946 as amended, the City of Boston, acting by and through the Authority, provided distressed veterans and servicemen with 763 temporary dwelling units.

The Federal Government made available to the Authority military structures which were converted to dwelling accommodations. The transportation of these structures to the sites selected for them in the

City of Boston, as well as their actual reconversion, was done by the Federal Government. The City provided the sites and utilities in the adjacent streets. These accommodations were distributed throughout the city, being located at Columbia Village, South Boston, Franklin Field, Dorchester, and Alsen Village, Dorchester, and are managed by the Authority in behalf of the City of Boston.

Also acting under the provisions of Chapters 372 and 568 of the Acts of 1946 as amended by Chapter 479 of the Acts of 1947, the Authority has provided 991 permanent one- and two-family homes, as well as 319 multiple dwellings for veterans of World War II. These are rented to veterans at reasonable rents provided that no later than one year after the termination of the emergency period, unless a postponement to a later date has been approved by the State Housing Board, such dwelling units shall be offered for sale at their fair market value and disposed of as rapidly as is consistent with sound business judgment.

The one- and two-family dwellings so constructed may be sold to veterans of World War II prior to the termination of the present emergency with the approval of the State Housing Board.

The City of Boston has appropriated \$20,000,000 for the purpose of carrying out this program.

The basic Massachusetts Housing Authority Law was amended in 1948 by Chapter 200. This legislation provides for State aid to local authorities in building homes for families of low income by means of State guarantee of the principal and interest on local housing authority notes or bonds issued for this purpose and annual subsidy by the State not to exceed 2½ per cent of total development costs, for 40 years. Forty-eight million dollars have been earmarked for the City of Boston under this program which it is estimated will provide some 3,800 apartments. Veterans of World War II, and other veterans with families of low income, receive preference in this program in that order.

Under this legislation, 1,302 multiple dwelling units have been built and occupied. There are 1,138 units under construction and 2,320 in the planning stage.

The Housing Act of 1949 also provides for loans and capital grants to assist cities and towns in clearance of slum areas and the redevelopment of such areas in accordance with a general plan to be adopted by the City of Boston. The Authority is the local agency charged with the duties of carrying out the provisions of the Act in Boston.

SUFFOLK COUNTY COURT HOUSE COMMISSION.

Office, Room 318, New Court House.

[Stat. 1939, Chap. 383.]

THOMAS P. McDAVITT (Appointed by the Governor), *Chairman*.

ARTHUR J. SANTRY (Appointed by the Chief Justice of the Supreme Judicial Court).

FREDERICK R. SULLIVAN, Sheriff of Suffolk County.

The Commission chooses its own Chairman and its own Secretary. Its members receive no compensation for their services.

The Commission was established by Special Act of the Legislature, for the care, custody and control of the Suffolk County Court House, and is required to appoint a Custodian and such other officers as it may deem necessary for the proper operation of the building, and to determine their term or terms of service.

The Commission succeeded to the authority given to the Sheriff of Suffolk County over the Suffolk County Court House, in Chapter 525 of the Acts of 1922, and took over the management and control of the Court House upon its completion during 1939, by the Special Commission created under Chapter 474 of the Acts of 1935 for providing additional accommodations and facilities for the Suffolk County Court House.

A thirty per cent contribution by the Commonwealth to the annual costs and charges of maintenance and operation of the Court House began in the calendar year 1939 when the additional Court House enlargements and improvements, made under authority of Chapter 474 of the Acts of 1935, were "substantially completed" and in "actual use," and the remaining seventy per cent is paid by the City of Boston. While the Commonwealth now pays thirty per cent of the operating costs of the Court House, it has taken no part in its operations, other than the exercise of its authority in the make-up of the Commission in charge.

The Act took effect September 1, 1906.

The jurisdiction of the Court has been increased from time to time so that, at the present time, the Court has concurrent jurisdiction with the Boston Municipal Court over adults who commit the offences of Contributing to the Delinquency of Children under the age of 17 and against parents for neglect of minor children, and against parents for failing to have children attend school.
